Submitted.

It will be seen from the papers in Mempl File No 334 — of that as the site referred to in the petition, was close to the Studio Block, the Dy Commr refused to grant it for a mosque, promising, at the same time, to grant other sites equally suitable for the purpose in the interior of the Mahomedan block. This proposal of the Dy Commr was approved by Govt and petitioners were informed that there was no reason to interfere in the matter.

The President of the Bangalore city Munpty was, at the same time, directed to select a suitable site for a mosque in consultation with the Mahomedan residents of Malleswaram.

Sir,

I beg to say that an appeal was submitted to the Dewan Sahib on the 8th April last bringing to his kind notice that the site applied for by the Mahomedan community of the Malleswaram extension for the purpose of constructing a mosque thereon had been sold to some persons who own either houses or house sites in the same extension. The transaction has given rise to ill-feelings between the whole Mahomedan community of the extension and the allottees

I may be permitted to add to what has been said in the appeal petition that the allottees have since been permitted to pay the value of the sites sold to them to the Improvement Trust and they have done so

I

I beg therefore that you will kindly place the whole matter before the Dewan Saheb so that he may be pleased to intercede in time and pass favorable orders on this important question touching the religious feelings

I beg to remain,

Sir,

Your most obedient servant-
